

Redco International

INTRODUCTION

Redco International is a leading industrial manufacturing and contracting group operating in Qatar since 1982. The company is owned by H.E. Sheikh Jassim bin Hamad Al Thani and Ex-Senator, Saif ur Rehman.

Redco International has been a leader in precast concrete manufacturing and erection in Qatar since the 1980s, and is also amongst the leaders in ready-mix concrete manufacturing, steel cut & bend, Mechanical-Electrical-Plumbing (MEP), and building works (general contracting).

Redco International employs 8000 people in Qatar, including more than 300 qualified civil, electrical and mechanical engineers. The company also has two sister companies in Pakistan: Redco Pakistan Limited (RPL) and Redco Textiles Limited (RTL), which employ more than 3000 people. Redco Textiles Limited is a vertically integrated, ISO 9001 certified textiles manufacturing company which has spinning and weaving units and a captive power plant. Furthermore, the group is also presently executing a 1320 MW power plant at Port Qasim, Karachi, Pakistan.

In Qatar, Redco International is a well-known brand with a large collection of assets and projects that are visible across the country. The company owns more than 1000 units of construction equipment, which includes a large fleet of dumpers, trailers, ready-mix trucks, concrete pumps, excavators, bulldozers, wheel loaders, tower cranes, crawler cranes, mobile cranes, specialist precast/ steel cut & bend/ MEP equipment, and also a very large number of transport vehicles including buses, cars and pick-ups for the company's 8000 employees.

Redco International currently has projects in hand worth 5 billion QR (\$1.4 billion). The company has an ISO 9001 certified quality management system, and is licensed as a Grade-A civil and electro-mechanical contractor with all major government departments.

Redco International's strategic business interests in Qatar and Pakistan includes:

- **Precast Concrete & Hollow core Plants** – Design, Manufacturing & Erection
- **Readymix Concrete Plants** – Design, Manufacturing & Placing
- **Earthworks & Blasting** – Contractor, MOI approved blasting company
- **General Contractor** – EPC contractor, grade A
- **Mechanical, Electrical, Plumbing (MEP)** – EPIC contractor, grade A, Kahramaa approved
- **Steel cut & bend Factory** – Design, Manufacturing & Installation
- **Textile** – Weaving & Spinning Mills

Redco International is a contentious contractor with an excellent Health and Safety record. The company has been given numerous Health and Safety awards by clients. The company has worked at prestigious projects for millions of man-hours without a single Lost Time Incident (LTI).

Thank you for your interest in Redco International.
